OVERVIEW

The project ‘THE TASTY KITCHEN’ is a restaurant website made using HTML and CSS for customers to get to know about the restaurant.

GOALS

- Landing page for the restaurant.
- To provide the information about the restaurant.
- To provide the recipe menu list and services provided by the restaurant.
- Directing the website visitors to order the food in a food ordering website like zomato.
- Making the website visitors to follow the social media page of the restaurant.

SPECIFICATIONS

- We added a logo and navigation bar items for easy use of the website.
- Added the picture with details of the recipes and the information services provided by the restaurant.
- People can use Contact Us form to give feedback or for any queries.

TOOLS

- ★ HTML
- ★ CSS
- ★ VS code
- ★ Google Fonts
